

Trilogy Summer School

Philosophy of The Trilogy School:

- To provide specialized instruction in a small group setting for students who have learning differences with/without ADHD in first through twelfth grade
- To give students individualized study skills, compensatory strategies, and organizational techniques
- To foster students' ability to achieve mastery learning in all curriculum areas and gain confidence in their academic endeavors, enabling them to return to the regular setting if appropriate

Mission of the Summer School Program:

- To remediate/enrich reading, writing, and math skills
- To maintain continuity of skills throughout summer
- To build self-confidence in individual abilities
- To ensure reading, writing, and math readiness for the next level

Curriculum:

- Each student will take reading, writing, and math, and will be grouped by age and grade level.
- Assessments and objectives will be designed for each student.
- Class size: four to five students

- Reading Program will incorporate:
 - Phonemic-based skill building and awareness
 - Development of auditory processing skills
 - Individualized supplemental reading program
 - Critical thinking/comprehension skills
 - Fluency of reading performance
- Writing Program will incorporate:
 - Creative writing
 - Expository writing: sentences, paragraphs, essays
 - Vocabulary development and grammar
 - Spelling/phonics
- Math Program will incorporate:
 - Individualized development of basic math skills
 - Computation and problem solving
